The American Immigration Council (formally the American Immigration Law Foundation) is proud to announce that it will be hosting its fifteenth Annual Washington, DC Immigrant Achievement Awards ceremony to honor outstanding immigrants and first generation Americans whose contributions have greatly enriched our nation. This year's honorees include Mr. Wade Henderson, the president and CEO of the Leadership Conference on Civil Rights, as the recipient of the *Steven K. Fischel Distinguished Public Service Award* and Mr. Ben Ali, who will be honored with a posthumous *Immigrant Achievement Award*. The award will be accepted by his sons.

The Council is also excited to award the *American Immigration Council Immigrant Youth Achievement Award*.

For more than 20 years, the Council has been working to increase public understanding of the value of immigration to America and to advance fundamental fairness and due process under the law for immigrants. The Council pursues its mission through four dynamic program areas: the Legal Action Center (LAC), the Immigration Policy Center (IPC), the Community Education Center (CEC) and the International Exchange Center (IEC).

The Council is an IRS designated 501 (c) (3) non-profit, educational, charitable organization, and all contributions are tax-deductible as allowed by law.

The awards ceremony will be held after a cocktail reception, hosted by the Council and held in conjunction with the AILA Washington, DC Spring CLE.
